

POWER DISTRIBUTION SERVICES

PSAV is proud to serve as the exclusive in-house provider for Power Distribution Services at Jungle Island. As part of our comprehensive electrical safety program the facility has been equipped with industry standard single pole or pin and sleeve devices to eliminate bare wire connections. All power distribution must be UL/ETL listed and meet all state and local codes.

----------------------------	-----------

All Power Distribution labor calls are based on a standard (5) hour minimum and subject to all reasonable labor practices regarding overtime and non-standard calls and afterhours. Power Distribution labor is based on a per-show call basis.

Power Distribution Pricing

PSAV will not load or allow a service to be loaded beyond 80% of the rated capacity of the service. Power Distribution equipment distribution boxes are billed on a per-day basis. All power distribution PSAV uses will be UL/ ETL listed and will meet or exceed all state and local requirements for safe electrical distribution.

If the amount of power you need is not listed here, please contact PSAV for additional assistance.
